WASHINGTON 25, D. C.

OFFICE OF THE DIRECTOR

Cuba file

Honorable Robert S. McNamara
Secretary of Defense
Washington 25, D. C.

Dear Bob:

25X1A I refer to the discussion on 16 November at the Executive
25X1A Committee of the National Security Council in regard to [REDACTED]
25X1A [REDACTED] Missions. In order to assure myself that the requirements
of the Intelligence community are being continuously and adequately
met by [REDACTED] Missions, I inquired as to the facts.

Attached with this letter is a listing of targets reflecting the
official requirements of the United States Intelligence Board expressed
through the Board's Committee on Overhead Reconnaissance. These
are listed by the date on which it is expected they would be covered.
For operational reasons such lists are prepared two days in advance
and take into account all available photography and collateral informa-
tion. I am informed that the Defense Intelligence Agency presents
these and related requirements daily to the Joint Chiefs of Staff as
the intelligence requirements of the United States Intelligence Board.
